INTERESTING PERFORMANCE

WITNESSED BY CLERKS.

Court at War Department-Led

Out Through Building.

For the first time in history, the corri-

dors of the big granite building occupied

by the State, War and Navy Departments

yesterday resounded to the martial tread

of an army horse. The honor did not

belong to a high-spirited cavalry steed

scenting the battle from afar, but to a

humble draft horse of the quartermaster's

department. As the employes were start-

ing for home yesterday afternoon about

4:30 o'clock, they were startled by a

An investigation showed that a horse

attached to the depot quartermaster's

vagon had backed over the low cornice

surrounding the court and fallen into the

Fortunately, the horse and wagon land-

ed in a heap on the stone stairway lead-

ing to the low ground, and thus broke

the force of the fall. Several men went

to the rescue and soon released the strug-

It was somewhat cut and bruised, but

was found to be sound in wind and limb.

As there was no way to get it back to

the surface of the court it was found

the subbasement, then up the granite

stairway to the basement and then over

the street. Ropes were attached to the

Building for the Supreme Court. Senator Gallinger has reintroduced the bill providing for a separate building for the Supreme Court of the United States. The structure would be situated just outside of the Capitol grounds and immediately north of the Congressional Library building, to which, it is supposed, the exterior architecture of the Supreme Court building would correspond. The total cost of the building is fixed at \$8,000,000.
